Chapter Activities

The goals for this chapter were to participate in department activities, to increase awareness of Pi Tau Sigma on campus, to offer professional development events for both students and mechanical engineering faculty and to hold a fall and spring initiation. Fall 2015 and Spring 2016 Initiations were held. The chapter hosted the Mechanical Engineering Student Advisory Board fall and spring meetings. The chapter coordinated the purchase of stoles and cords for graduating seniors.

Other

Plans for 2016-2017

In the coming academic year the chapter is looking forward to sending a member to the national convention, participate in and help run the departmental picnic, participate in and host the Mechanical Engineering Department Student Advisory Board fall and spring meetings.
