Sigma Psi Chapter

Tuskegee University, Tuskegee, AL
Chartered December 7, 1970. Number 96.

Goals for 2007-2008

The goals for the 2007-2008 school year are to: increase membership, implement more departmental activities, and stimulate interest in the organization as a whole.

Activities

The most important activities held by the organization included several fellowship activities. A few outings were organized; one in particular was a social at Buffalo Wild Wings. In addition to the socials, an outing was done after every initiation.

Professionally, the chapter hosted two informational sessions for Ford Motor Company. The first was a session aimed at orienting the audience with Ford's SYNC© technology which can be purchased on most of their new vehicles. The second session was organized in order to increase the interest of the student body in Ford Motor Company's annual Robotics Competition held during the Tuskegee University Business and Engineering Conference.

Graduates

Christopher Bush (May 08) – Exxon Mobil
Veonicca Greene (May 07) – Raytheon
Jaronda Ingram (May 07) – Tuskegee University (Material Science and Engineering)
Antrell Kidd (May 08) – Nucor
Travis Nunnally (May 08) – Georgia Tech (Mechanical Engineering)
Gary Price (May 07) – General Motors
Candace Rhone (May 07) – Raytheon
Amanee Salaam (May 08) – The University of Alabama at Birmingham (Biomedical Engineering)
Brian Simpson (May 08) – Georgia Tech (Mechanical Engineering)
Jonathan Thomas (Dec 07) – Clemson University (Materials Science and Engineering)
Orlando Williams (May 08) – Exxon Mobil
James Davis (May 08) - Caterpillar

Awards & Recognition

Recipients of GEM Fellowship:
Amanee Salaam - *Summa Cum Laude*
Brian Simpson - *Summa Cum Laude*
Jonathan Thomas - *Cum Laude*

Other Graduate Honors:
Christopher Bush *(Summa Cum Laude)*
Antrell Kidd *(Cum Laude)*
Orlando Williams *(Magna Cum Laude)*
James Davis *(Magna Cum Laude)*

Names of New Members

Fall 2007 Pledges

Christopher Bush	Carl Orlando Williams
James Davis	Megan Brown

Spring 2008 Pledges

Drayton Bryant	Raymond Moore
Adrian West	

Transfer of Responsibilities

Throughout the year, a notebook was kept documenting meetings and activities planned. The notebook was transferred to the president elect at the transition of officers meeting held in May.

In addition the names on the chapter accounts will be updated in the fall. The names of the president and treasurer for the 2008-2009 school year will be added to the accounts so that they may conduct business and make transactions.

Plans for 2008-2009

For the 2008-2009 school year, the Sigma Psi chapter plans to implement a mentoring program for freshman mechanical engineering students. The goal is the cultivate them into the leaders of tomorrow through tutoring, offering advice, and providing any help that the students may need in order to adjust to the engineering curriculum and/or a college atmosphere.

During the winter holiday season, the chapter usually holds a canned food drive where the collected non-perishables are donated to local families in need through the Department of Human Resources.

Also the goal for next year is to continue the programs implemented this year striving to improve the weaknesses and enhance the strengths of the chapter.

Chapter Officers

President	Amanee Salaam
Vice President	Brian Simpson
Treasurer	Candace Jones
Secretary	Ashlei Frazier

SGA Senator	Brian Simpson
SGA Senator Proxy	Antrell Kidd

Chapter Advisor
Dr. Chaun-Chang Chen
