Greetings,

I hope your semester is going well. A few items of interest:

- The 2017 Pi Tau Sigma convention will take place February 24 through the 26th, 2017, at Drexel University in Philadelphia, PA. This year the national office will be able to support one student member from each chapter that attends the convention with a \$450 travel stipend. The stipend will be provided with a check written to your chapter name or advisor and will be distributed at the convention on Saturday afternoon. So start planning your trip to Philadelphia.
- The 2018 convention will be held at the University of Miami at Coral Gables, Florida tentatively set for February 26 through 28, 2018.
- The new Pi Tau Sigma website is currently under construction and it is being updated, as new features are being added. You can reach it at www.pitausigma.org or www.pitausigma.net, and it does provide some of the most vital information.
- Each chapter president of all Pi Tau Sigma chapters, in good standing or not, can submit their chapter's vote by ranking the top 3 chapters for Best Outstanding Performance and top 3 chapters for Best Outstanding Service awards, via an e-mail to alex.moutsoglou@sdsu.edu and akontsos@coe.drexel.edu. A vote may include the same chapter for both awards. In judging, please put emphasis on volunteer community activities, charity fundraisers, and chapter activities including initiations. The extent of each chapter's contribution in organizing events/activities and level of participation should be documented. A vote is valid only if three chapters are ranked in each category for a total of 6 chapter names. In submitting your votes please identify your name, chapter position, and chapter name. Please write PTS Outstanding Awards in the subject line of your e-mail. A chapter may not vote for itself. Please submit your votes by December 15.

Auburn Chi; Cal Poly San Luis Obispo Phi Psi; Cooper Union Pi Phi; Drexel Xi; Louisiana Tech Tau Xi; Michigan Pi Rho; Missouri Epsilon; Montana State Tau Rho; NJIT Tau Theta; Rochester Delta Pi; South Carolina Delta Tau; Texas Tech Sigma Epsilon; UIC Alpha Sigma

You can find the report summary pdf files of the thirteen chapters at the website, www.pitausigma.org, under the AWARDS/PTS Chapter Awards tab on the menu bar, near the bottom of the page

Please remember to send your votes by December 15, as this is one of the requirements that you need to fulfill for the good standing status. I will be sending another reminder as the deadline approaches.

- Finally, please remember when submitting your initiation for registration, to attach a scanned copy of the initiation roll page with the names and signatures of the initiates and the PTS officers conducting the ceremony. Also, when filling the registration form, please remember that initiates need to enter their non-university emails (Gmail, Hotmail, Yahoo mail, etc.)

Thank you,

Sincerely,

Alex Moutsoglou
